

Verification

by wanted.love webcam selfie photo

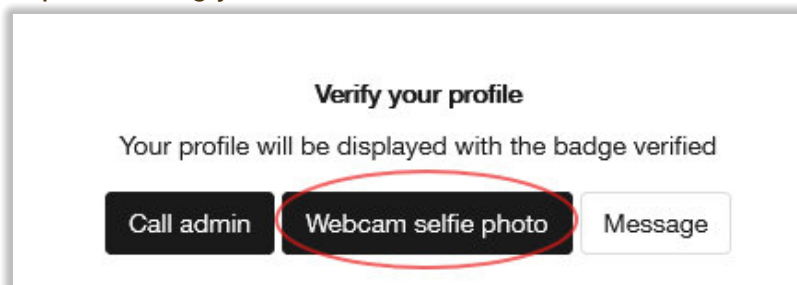

In these 6 simple steps, your profile will be verified:

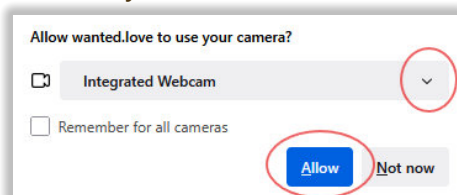

1. **Log in** – Sign in to the platform wanted.love with your credentials.
2. **Go to the profile section** – Navigate to the verification section of your profile.

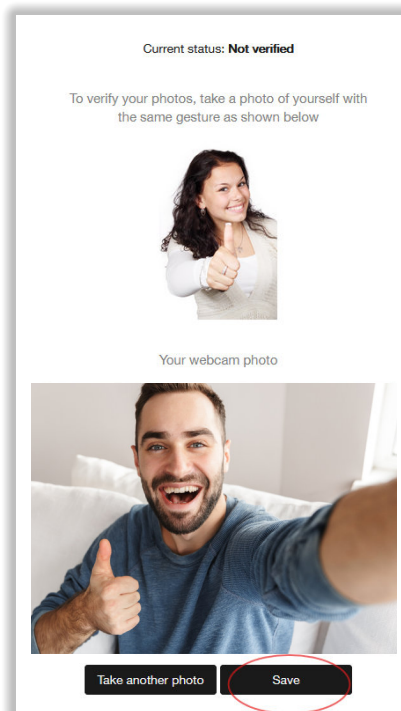

3. Or select the **"Webcam Selfie Photo" button** – Click the button in the message to take a photo using your webcam.

4. **Allow access to the webcam** – If prompted, grant permission for the platform to access your webcam.

5. **Take and save a selfie** – Capture a clear selfie following the instructions and save it.
6. **Wait for confirmation** – The verification process may take some time. You will receive a notification once your profile has been verified.

Disclaimer:

Verification is carried out according to the platform's guidelines. Please ensure your selfie is clear and well-lit to avoid delays. By using your webcam and submitting your photo, you agree to the processing of your data in accordance with the platform's privacy policy. We are not responsible for any technical issues or delays in the verification process. If you have any questions or difficulties, please reach out to the platform's support team. © by iStock-1329498065
